

Link Natural

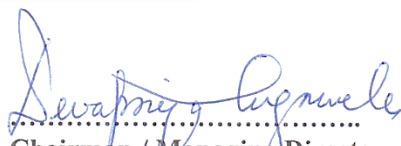

ENVIRONMENTAL POLICY

Link Natural Products (Pvt.) Ltd. is a leading manufacturer of Herbal Healthcare Products, Ayurvedic Pharmaceuticals, Herbal personal care products and Natural Essential Oils & Oleoresins. We recognize and accept our obligation to the environment as a responsible corporate citizen. We are establishing and maintaining, a framework for reduction of environmental impacts, which arise from our activities, with continual improvement of our overall environmental performance, by setting and reviewing environmental objectives and targets.

We are committed to:

- Operate within the context of a recognized environmental management system based on ISO 14001: 2015.
- Develop processes and operating conditions, which protect and enhance the environment and reduce the associated environmental impacts of operations, to air, water and land wherever possible.
- Reduce the generation of waste to the minimum, through economical and practicable means.
- Comply with applicable environmental legislations and other requirements, as a minimum level of performance.
- Educate and provide training for all employees to work in a manner which maximizes protection of the environment and ensures that all staff is aware of the Environmental policy and the Environmental management system.
- Recognize and take action with regard to the concerns of any interested party with a view to improve the environmental performance of the business.

We will ensure that, the environmental objectives and targets associated with the environmental management system, focus upon the major environmental impacts of our operations. The policy is communicated to all the employees, and made available to the public and interested parties, on request
